I am writing to you with regard to our emergency contact details. I will be carrying a school mobile with me, so in absolute emergencies, please contact me on: **07801443691**. If for any reason you are unable to get through, the Head teacher can be contacted on: **07921583007**. Miss Miller will then contact me.

Students will be reminded to phone home on Friday evening to confirm our arrival time back at school. If you need further information regarding our return journey please call me on: **07801443691**.

Students will need some money for the week for additional drinks and snacks. There is a shop onsite. Forty to fifty pounds will be plenty for the week.

Barton Hall have been able to offer us a fantastic activity which we were not expecting. We are able to give all our students a taster session on their dry ski slope. All equipment is provided by Barton Hall. One group tried this activity two years ago and really enjoyed it.

Can I please remind you to ensure all students have plenty of sunscreen with them and a water bottle.

A list of other essential items: (not included on previous letters).

- A small rucksack
- Pair of old trainers – for canoeing and raft building
- Long sleeve t-shirts – quad biking
- Long socks
- Full length track suit bottoms

If you have any further enquires please do not hesitate to contact me in school.

Yours sincerely
